## Congratulations on adopting a new kitty!!!

\_\_\_\_\_ I acknowledge and agree Jake's Place Cat Rescue tries very hard to match me and my family with the right cat. Sometimes the temperament of the animal in a new living situation is not what it was in a foster situation. Jake's Place Cat Rescue can not guarantee that his/her personality will not change or develop as my new kitty adjusts.

\_\_\_\_\_ I understand that adopting this cat is a commitment for its lifetime, perhaps 15-20 years.

\_\_\_\_\_ If for any reason I feel this is not the cat for me, or I can no longer keep this cat, I agree to return him/her to Jake's Place Cat Rescue.

\_\_\_\_\_ I will provide a safe and loving environment for my cat, which includes proper shelter, good nutrition, and fresh water.

\_\_\_\_\_ I agree to register the microchip information with the appropriate company. I will provide all the necessary vaccinations and booster shots required for good health. In the event of an injury/illness, I will take my cat to a qualified veterinarian for treatment. Jake's Place Cat Rescue recommends that I introduce my new cat to my veterinarian soon after adopting to establish a relationship.

\_\_\_\_\_ I will not de-claw my cat.

\_\_\_\_\_ If I have other animals in the house, I agree to introduce them to my cat appropriately.

\_\_\_\_\_ I agree that I have adopted this cat as an "indoor only" cat.

\_\_\_\_\_ I agree that I have adopted this cat as an "indoor/outdoor" cat. He/she is to remain indoors for the first 30 days. He/she will always be kept indoors at night.
